NOTICES

QUESTIONS TABLED ON MAY 16th, 1978

54. *Mr. Mackenzie*—Enquiry of the Ministry—What action has the Ministry of Labour taken to see that a first aid station is available in the plant at Stanton Pipe in Hamilton. Did the Ministry take any action as a result of the Coroner's Jury recommendations that there be a first aid facility available in the plant, following the death of the Stanton Pipe employee, Robert Folbigg, last June 21st, 1977. Is the Minister aware of another accident on May 6th, 1978 in the same Stanton Pipe plant where the injured employee walked to the first aid station in the National Steel Car property only to find it closed and unattended. *Tabled May 16th, 1978.*

55. *Mr. Di Santo*—Enquiry of the Ministry—How many injured workers have been assessed for permanent disability, year by year, from 1970 to 1978. How many of the injured workers so assessed were referred to psychiatrists and psychologists. How many of them have been granted disability for psychological and/or psychiatric reasons. *Tabled May 16th, 1978.*

56. *Mr. Conway*—Enquiry of the Ministry—What groups, organizations and individuals were consulted and/or submitted briefs to the Advisory Committee on Confederation prior to the Committee's First Report which was tabled in the Legislature on April 11th, 1978. *Tabled May 16th, 1978.*

57. *Mr. Conway*—Enquiry of the Ministry—Who will comprise the "small but representative conference of citizens both experts and non-experts" who will attend a conference to discuss the First Report of the Advisory Committee on Confederation. What criteria must be fulfilled to obtain an invitation to attend and participate in this conference. *Tabled May 16th, 1978.*

58. *Mr. Conway*—Enquiry of the Ministry—Has the Government been approached about extending the federal provincial sales tax reduction agreement beyond its current expiry date of October 1978. Is there any provision for extending the life of the programme contained in the agreement between the two levels of government. *Tabled May 16th, 1978.*

NOTICES

PRIVATE MEMBERS' MOTIONS

1. *Mr. Reid* (Rainy River)—Resolution—That in the opinion of this House a joint state-provincial commission should be established between the Province of Ontario and border states (Minnesota, Michigan, New York, Ohio, Pennsylvania, Wisconsin) of the United States to study and discuss matters of mutual concern.
3. *Mr. Nixon*—Resolution—That this House recognizes the outstanding achievements of Dr. Robert McClure whose life of service at home, in China and elsewhere in the world exemplifies the most commendable aspects of the human spirit. And that a suitable message be inscribed and forwarded to Dr. McClure.
6. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, all Ontario Hydro's future thermal expansion be tied to the utilization of the cooling water.
7. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House, all homes in Ontario should be energy rated.
9. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, time of day pricing should be incorporated into any rate structure changes by Ontario Hydro.
10. *Mr. Ruston*—Resolution—That in the opinion of this House, the Government should ask the Government of Canada to hold a referendum on the issue of capital punishment and have the people of Canada make this very important decision.
12. *Mr. Walker*—Resolution—That in the opinion of this House, the Government should bring forward legislation to insert a "Sunset" provision (i.e. automatic date for termination) for all government agencies,

boards and commissions, to permit meaningful and periodic review of the continuing need for such agencies, boards and commissions. *To be debated June 8th, 1978.*

13. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House the Government should attach at least equal importance to the development of renewable resource technology in Ontario as it has to the development of nuclear power.

 14. *Mr. Bradley*—Resolution—That, in the opinion of this House, any proposal for the restructuring of a local government should not be implemented until such proposal has been submitted in a plebiscite to the electors of the municipality affected and is approved by a majority of those voting, and that where a plebiscite is conducted in a municipality that is part of a regional municipality and two-thirds of the electors voting indicate a desire to discontinue the regional government, the matter should be referred to the Standing Committee on General Government for a feasibility study and recommendations. *To be debated May 18th, 1978.*

 15. *Mr. Sterling*—Resolution—That, in the opinion of this House, the Government should give immediate consideration to legislation requiring the registration of a "Notice of Land Use Control" against each parcel of land in the appropriate registry or land titles office whenever the land is directly affected by any control imposed by the provincial government, a regional government or a local authority that would restrict the property rights of the landowner. *To be debated May 18th, 1978.*

 16. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House storm windows should be installed at the Parliament Buildings at Queen's Park; that the Government carefully examine costs involved in heating and cooling of all public buildings by solar means; that a time-table be set to build all new buildings with solar orientation and to retrofit present structures for solar as they become economically feasible.

 17. *Ms. Bryden*—Resolution—That the government consider bringing in legislation to establish a public participation fund to which individuals, non-profit groups and associations may apply for assistance to ensure effective participation by the public in hearings instituted under The Environmental Assessment Act, The Environmental Protection Act, The Ontario Water Resources Act, and The Pesticides Act. The parties assisted should be representative of the various interests which are directly or indirectly affected by the hearings. *To be debated June 1st, 1978.*

NOTICES

PRIVATE MEMBERS' MOTIONS

1. *Mr. Reid* (Rainy River)—Resolution—That in the opinion of this House a joint state-provincial commission should be established between the Province of Ontario and border states (Minnesota, Michigan, New York, Ohio, Pennsylvania, Wisconsin) of the United States to study and discuss matters of mutual concern.
3. *Mr. Nixon*—Resolution—That this House recognizes the outstanding achievements of Dr. Robert McClure whose life of service at home, in China and elsewhere in the world exemplifies the most commendable aspects of the human spirit. And that a suitable message be inscribed and forwarded to Dr. McClure.
6. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, all Ontario Hydro's future thermal expansion be tied to the utilization of the cooling water.
7. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House, all homes in Ontario should be energy rated.
9. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, time of day pricing should be incorporated into any rate structure changes by Ontario Hydro.
10. *Mr. Ruston*—Resolution—That in the opinion of this House, the Government should ask the Government of Canada to hold a referendum on the issue of capital punishment and have the people of Canada make this very important decision.

12. *Mr. Walker*—Resolution—That in the opinion of this House, the Government should bring forward legislation to insert a “Sunset” provision (i.e. automatic date for termination) for all government agencies, boards and commissions, to permit meaningful and periodic review of the continuing need for such agencies, boards and commissions. *To be debated June 8th, 1978.*
13. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House the Government should attach at least equal importance to the development of renewable resource technology in Ontario as it has to the development of nuclear power.
16. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House storm windows should be installed at the Parliament Buildings at Queen’s Park; that the Government carefully examine costs involved in heating and cooling of all public buildings by solar means; that a time-table be set to build all new buildings with solar orientation and to retrofit present structures for solar as they become economically feasible.
17. *Ms. Bryden*—Resolution—That the government consider bringing in legislation to establish a public participation fund to which individuals, non-profit groups and associations may apply for assistance to ensure effective participation by the public in hearings instituted under The Environmental Assessment Act, The Environmental Protection Act, The Ontario Water Resources Act, and The Pesticides Act. The parties assisted should be representative of the various interests which are directly or indirectly affected by the hearings. *To be debated June 1st, 1978.*
18. *Mr. Wildman*—Resolution—That, in the opinion of this House, the Government should introduce legislation amending *The Retail Sales Tax Act* to provide a specific exemption from retail sales tax to the purchaser of non-portable storage devices such as bins, storage containers and silos that are designed for farm use and purchased by a person engaged in the business of farming.
19. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House the Government proceed immediately with the preparation of Sun Right legislation.
20. *Mr. Kerrio*—Resolution—That in the opinion of this House:—1. all revenue from the Wintario and Provincial lotteries should be deposited in the Consolidated Revenue Fund. 2. a ceiling should be set on the amount of money to be directed to non-profit organizations for fitness, amateur sport, recreational, arts and multicultural activities. 3. the balance of the revenue should be directed to health programs and research and health-related environmental programs. 4. the revenue from the lotteries should be distributed according to a formula established by the Legislative Assembly and should be reviewed on a yearly basis. *To be debated June 8th, 1978.*

21. *Mr. Makarchuk*—Resolution—That in the opinion of this House the Government of Canada should publicly, unequivocally and as quickly as possible oppose the development and utilization of the neutron bomb.

MOTION FOR PRODUCTION OF PAPERS

1. *Mr. Reid* (Rainy River)—That an Order of the House do issue for the production of all public opinion surveys commissioned by the Ministry since January 1st, 1975.

NOTICES

PRIVATE MEMBERS' MOTIONS

1. *Mr. Reid* (Rainy River)—Resolution—That in the opinion of this House a joint state-provincial commission should be established between the Province of Ontario and border states (Minnesota, Michigan, New York, Ohio, Pennsylvania, Wisconsin) of the United States to study and discuss matters of mutual concern.
3. *Mr. Nixon*—Resolution—That this House recognizes the outstanding achievements of Dr. Robert McClure whose life of service at home, in China and elsewhere in the world exemplifies the most commendable aspects of the human spirit. And that a suitable message be inscribed and forwarded to Dr. McClure.
6. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, all Ontario Hydro's future thermal expansion be tied to the utilization of the cooling water.
7. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House, all homes in Ontario should be energy rated.
9. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, time of day pricing should be incorporated into any rate structure changes by Ontario Hydro.
10. *Mr. Ruston*—Resolution—That in the opinion of this House, the Government should ask the Government of Canada to hold a referendum on the issue of capital punishment and have the people of Canada make this very important decision.
12. *Mr. Walker*—Resolution—That in the opinion of this House, the Government should bring forward legislation to insert a "Sunset" provision (i.e. automatic date for termination) for all government agencies, boards and commissions, to permit meaningful and periodic review of the continuing need for such agencies, boards and commissions. *To be debated June 8th, 1978.*
13. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House the Government should attach at least equal importance to the development of renewable resource technology in Ontario as it has to the development of nuclear power.
16. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House storm windows should be installed at the Parliament Buildings at Queen's Park; that the Government carefully examine costs involved in heating and cooling of all public buildings by solar means; that a time-table be set to build all new buildings with solar orientation and to retrofit present structures for solar as they become economically feasible.

17. *Ms. Bryden*—Resolution—That the government consider bringing in legislation to establish a public participation fund to which individuals, non-profit groups and associations may apply for assistance to ensure effective participation by the public in hearings instituted under The Environmental Assessment Act, The Environmental Protection Act, The Ontario Water Resources Act, and The Pesticides Act. The parties assisted should be representative of the various interests which are directly or indirectly affected by the hearings. *To be debated June 1st, 1978.*
18. *Mr. Wildman*—Resolution—That, in the opinion of this House, the Government should introduce legislation amending *The Retail Sales Tax Act* to provide a specific exemption from retail sales tax to the purchaser of non-portable storage devices such as bins, storage containers and silos that are designed for farm use and purchased by a person engaged in the business of farming.
19. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House the Government proceed immediately with the preparation of Sun Right legislation.
20. *Mr. Kerrio*—Resolution—That in the opinion of this House:—1. all revenue from the Wintario and Provincial lotteries should be deposited in the Consolidated Revenue Fund. 2. a ceiling should be set on the amount of money to be directed to non-profit organizations for fitness, amateur sport, recreational, arts and multicultural activities. 3. the balance of the revenue should be directed to health programs and research and health-related environmental programs. 4. the revenue from the lotteries should be distributed according to a formula established by the Legislative Assembly and should be reviewed on a yearly basis. *To be debated June 8th, 1978.*
21. *Mr. Makarchuk*—Resolution—That in the opinion of this House the Government of Canada should publicly, unequivocally and as quickly as possible oppose the development and utilization of the neutron bomb.

MOTION FOR PRODUCTION OF PAPERS

NOTICES

PRIVATE MEMBERS' MOTIONS

1. *Mr. Reid* (Rainy River)—Resolution—That in the opinion of this House a joint state-provincial commission should be established between the Province of Ontario and border states (Minnesota, Michigan, New York, Ohio, Pennsylvania, Wisconsin) of the United States to study and discuss matters of mutual concern.
3. *Mr. Nixon*—Resolution—That this House recognizes the outstanding achievements of Dr. Robert McClure whose life of service at home, in China and elsewhere in the world exemplifies the most commendable aspects of the human spirit. And that a suitable message be inscribed and forwarded to Dr. McClure.
6. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, all Ontario Hydro's future thermal expansion be tied to the utilization of the cooling water.
7. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House, all homes in Ontario should be energy rated.
9. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, time of day pricing should be incorporated into any rate structure changes by Ontario Hydro.
10. *Mr. Ruston*—Resolution—That in the opinion of this House, the Government should ask the Government of Canada to hold a referendum on the issue of capital punishment and have the people of Canada make this very important decision.
12. *Mr. Walker*—Resolution—That in the opinion of this House, the Government should bring forward legislation to insert a "Sunset" provision (i.e. automatic date for termination) for all government agencies, boards and commissions, to permit meaningful and periodic review of the continuing need for such agencies, boards and commissions. *To be debated June 8th, 1978.*

13. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House the Government should attach at least equal importance to the development of renewable resource technology in Ontario as it has to the development of nuclear power.
16. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House storm windows should be installed at the Parliament Buildings at Queen's Park; that the Government carefully examine costs involved in heating and cooling of all public buildings by solar means; that a time-table be set to build all new buildings with solar orientation and to retrofit present structures for solar as they become economically feasible.
18. *Mr. Wildman*—Resolution—That, in the opinion of this House, the Government should introduce legislation amending *The Retail Sales Tax Act* to provide a specific exemption from retail sales tax to the purchaser of non-portable storage devices such as bins, storage containers and silos that are designed for farm use and purchased by a person engaged in the business of farming.
19. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House the Government proceed immediately with the preparation of Sun Right legislation.
20. *Mr. Kerrio*—Resolution—That in the opinion of this House:—1. all revenue from the Wintario and Provincial lotteries should be deposited in the Consolidated Revenue Fund. 2. a ceiling should be set on the amount of money to be directed to non-profit organizations for fitness, amateur sport, recreational, arts and multicultural activities. 3. the balance of the revenue should be directed to health programs and research and health-related environmental programs. 4. the revenue from the lotteries should be distributed according to a formula established by the Legislative Assembly and should be reviewed on a yearly basis. *To be debated June 8th, 1978.*
21. *Mr. Makarchuk*—Resolution—That in the opinion of this House the Government of Canada should publicly, unequivocally and as quickly as possible oppose the development and utilization of the neutron bomb.

NOTICES

GOVERNMENT MOTION

13. *Mr. McKeough*—Resolution—That the authority of the Treasurer of Ontario granted on March 28th, 1978, to pay the salaries of the civil servants and other necessary payments pending the voting of Supply for the period commencing April 1st, 1978, be extended to October 31st, 1978, such payments to be charged to the proper appropriation following the voting of Supply.
-

PRIVATE MEMBERS' MOTIONS

1. *Mr. Reid* (Rainy River)—Resolution—That in the opinion of this House a joint state-provincial commission should be established between the Province of Ontario and border states (Minnesota, Michigan, New York, Ohio, Pennsylvania, Wisconsin) of the United States to study and discuss matters of mutual concern.
3. *Mr. Nixon*—Resolution—That this House recognizes the outstanding achievements of Dr. Robert McClure whose life of service at home, in China and elsewhere in the world exemplifies the most commendable aspects of the human spirit. And that a suitable message be inscribed and forwarded to Dr. McClure.
6. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, all Ontario Hydro's future thermal expansion be tied to the utilization of the cooling water.
7. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House, all homes in Ontario should be energy rated.
9. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, time of day pricing should be incorporated into any rate structure changes by Ontario Hydro.
10. *Mr. Ruston*—Resolution—That in the opinion of this House, the Government should ask the Government of Canada to hold a referendum on the issue of capital punishment and have the people of Canada make this very important decision.
13. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House the Government should attach at least equal importance to the development of renewable resource technology in Ontario as it has to the development of nuclear power.
16. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House storm windows should be installed at the Parliament Buildings at Queen's Park; that the Government carefully examine costs involved in heating and cooling of all public buildings by solar means; that a time-table be set to build all new buildings with solar orientation and to retrofit present structures for solar as they become economically feasible.
18. *Mr. Wildman*—Resolution—That, in the opinion of this House, the Government should introduce legislation amending *The Retail Sales Tax Act* to provide a specific exemption from retail sales tax to the purchaser of non-portable storage devices such as bins, storage containers and silos that are designed for farm use and purchased by a person engaged in the business of farming.
19. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House the Government proceed immediately with the preparation of Sun Right legislation.

21. *Mr. Makarchuk*—Resolution—That in the opinion of this House the Government of Canada should publicly, unequivocally and as quickly as possible oppose the development and utilization of the neutron bomb.
 22. *Mr. Hennessy*—Resolution—That, in the opinion of this House, the Government should introduce legislation to provide that wherever a police officer, fireman or prison guard is killed in the line of duty, the salary and other income benefits of the deceased shall continue and shall be paid to the deceased's dependants until such time as the payments are no longer necessary for the maintenance and support of the dependants. *To be debated on the first Thursday after summer recess.*
-

90. *Mr. Conway*—Enquiry of the Ministry—What were the "most recent proposals put forward by individuals, groups or governments in the field of constitutional reform" that the Advisory Committee on Confederation considered prior to the drafting of its first report. How were the members of the Advisory Committee kept informed of these proposals. *Tabled June 6th, 1978.*
91. *Mr. Conway*—Enquiry of the Ministry—What is the detailed budget for the Confederation '78 conference to be held at Glendon College on June 28-30, 1978. *Tabled June 6th, 1978.*
92. *Mr. Ziemba*—Enquiry of the Ministry—Further to my original enquiry of April 18th, 1978, will the Minister list the realty transactions receiving exemptions by way of application directly to the Ministry of Revenue itself indicating the purchase price, date, location and value of exemption with respect to the Ontario Non-Resident Land Transfer and or Speculation Tax in Metropolitan Toronto and Mississauga. *Tabled June 6th, 1978.*
93. *Mr. Bounsall*—Enquiry of the Ministry—Of the 282 accidental deaths in 1977 in which there was a coroner's inquest, will the Solicitor General indicate how many of these deaths were from the 226 Workmen's Compensation Board reported fatalities. *Tabled June 6th, 1978.*
94. *Mr. Bounsall*—Enquiry of the Ministry—As per the Minister's response of May 29th, 1978, would the ministry table the dates of and participants in all meetings about Bill 70 which have been held since Bill 70 was tabled in this House in February, 1978 and which are planned for the future. *Tabled June 6th, 1978.*
95. *Mr. Bounsall*—Enquiry of the Ministry—Would the Ministry table all responses by ministries of the government to the amendments to Bill 70 made in the Standing Resources Committee earlier this year. *Tabled June 6th, 1978.*
96. *Mr. Philip*—Enquiry of the Ministry—Will the Minister of Transportation and Communications indicate the number of Ministry staff involved on a full- or part-time basis and the annual Ministry expenditure involved for each of the following activities related to the work of the Urban Transportation Development Corporation: audit and financial review of UTDC's performance on Government Contracts; monitoring of research work and findings related to UTDC's work; research work performed at

the Ministry in areas related to UTDC's work; research, design etc. into the application of technology being developed by UTDC; other Ministry expenditure and time commitments related to UTDC's work. *Tabled June 6th, 1978.*

97. *Mr. Warner*—Enquiry of the Ministry—Would the Ministry please calculate for 1977 and 1978 the financial impact on the six area boards (on both general legislative grants and mill rates) of the elimination of the Metro Toronto School Board, and provide the information in a format similar to Tables 17.1 and 17.2 of the Report of the Royal Commission on Metropolitan Toronto, volume 2, pages 326 and 327. *Tabled June 6th, 1978.*
98. *Mr. Wildman*—Enquiry of the Ministry—Will the Ministry table any position papers, studies, submissions to the Federal Government etc. which have been produced by or for the Ministry of Industry and Tourism in relation to the Canada-United States Automotive Trade Agreement, auto industry investment, auto industry research and development and in particular any responses to the proposals put forward by the Federal Government to subsidize on a cost-shared basis the construction in Ontario of automobile or parts plants by one or more of the "big four" auto makers or their subsidiaries. *Tabled June 6th, 1978.*
99. *Mr. Duksza*—Enquiry of the Ministry—Will the Minister of Consumer and Commercial Relations table all submissions made to him by Government Ministries or agencies pursuant to his requests for submissions on the Green Paper on Tenant Protection and Condominiums. *Tabled June 7th, 1978.*

101. *Mr. Mackenzie*—Enquiry of the Ministry—Would the Solicitor General please provide the following information: 1. The number of hours and cost of overtime for the O.P.P. for the months of January, February, March, April, May, 1978; and 2. The number of hours and the cost of overtime for the months of March, April and May, 1977. *Tabled June 8th, 1978.*
102. *Mr. McClellan*—Enquiry of the Ministry—Will the Minister of Consumer and Commercial Relations indicate how many complaints were received by the HUDAC new home warranty program since its inception against Pastoria Holdings Ltd. and its related Companies; What is the nature and substance of each of these complaints; What was the disposition of each of these complaints. *Tabled June 9th, 1978.*
103. *Ms. Bryden*—Enquiry of the Ministry—With regard to the government's lawsuit against the Dow Chemical Company, will the Attorney General table the following information on costs related to the lawsuit for each fiscal year since the inception of the suit to date:—(a) Names and addresses of each lawyer and/or law firm receiving payments, and

amount of payment to each. (b) Names and addresses of consultants and technical personnel and/or consulting and engineering firms receiving payments, and amount of payment to each. (c) Other disbursements (specify recipient's name and address and amount if amount is over \$100 per fiscal year). (d) Estimated cost of time spent on the lawsuit or in preparation for it by personnel employed by the government. In addition, will the Attorney General table the following: (e) Copies of legal and technical opinions received by the Attorney General prior to inception of the lawsuit advising him on the prospects for a successful action against the Company. (f) Names and addresses of persons and/or firms receiving payments for the opinions referred to in (e) and the amounts paid to each person and/or firm. *Tabled June 13th, 1978.*

104. *Mr. Breaugh*—Enquiry of the Ministry—Would the Ministry of Health indicate its official position towards the practice of podiatry in this province. As The Chiropody Act does not make clear the role of podiatrists, as compared to chiropodists, in the provision of foot care, would the Ministry make clear the similarities and differences it sees in the services provided by these health professionals. Is there consideration being given to covering podiatry under the College of Physicians and Surgeons or the Health Disciplines Act. Are they being considered for services under OHIP. *Tabled June 14th, 1978.*
105. *Mr. Breaugh*—Enquiry of the Ministry—Would the Ministry of Health provide statistics as to the number of anesthetists, by hospital in Metropolitan Toronto:—(a) who are accepting payment directly from OHIP, and (b) who have opted out of OHIP. Also, would the Ministry provide similar information compiled on a regional basis throughout Ontario. *Tabled June 14th, 1978.*
106. *Mr. Breaugh*—Enquiry of the Ministry—Would the Ministry of Health provide the following statistics:—(a) the number of units of service performed in 1977 by doctors for which the doctors billed OHIP directly; (b) the number of units of service performed by doctors, payment for which was sent to individual subscribers of OHIP; (c) the number of units charged under Workmen's Compensation Board rates; and (d) the number of units charged over the Ontario Medical Association Schedule. *Tabled June 14th, 1978.*
107. *Mr. Breaugh*—Enquiry of the Ministry—Would the Ministry of Health provide the following information concerning involuntary admissions to psychiatric institutions in 1977; where; number of re-admissions; average length of stay; reasons stated for involuntary admission. *Tabled June 14th, 1978.*
108. *Mr. McClellan*—Enquiry of the Ministry—Would the Minister of Community and Social Services table the 1978 and the 1979 forecast of the General Welfare Assistance employable caseload for the Province of Ontario. *Tabled June 14th, 1978.*

NOTICES

GOVERNMENT MOTION

13. *Mr. McKeough*—Resolution—That the authority of the Treasurer of Ontario granted on March 28th, 1978, to pay the salaries of the civil servants and other necessary payments pending the voting of Supply for the period commencing April 1st, 1978, be extended to October 31st, 1978, such payments to be charged to the proper appropriation following the voting of Supply.

14. *Mr. Welch*—Resolution—That a Select Committee of this Legislature be appointed:—1. To review Ontario's health-care costs, health-care financing methods, and services provided for that expenditure; and then to compare that profile with those of other provinces and countries as the committee may deem appropriate for purposes of providing a valid basis for comparison. 2. To review alternative methods of financing the health-care system and the impact of those alternatives on the fiscal affairs of the Province; and to make recommendations thereon. 3. To review existing reports which relate to methods and means of containing or reducing health-care costs, and to report its findings to the Legislature. And the Committee shall report its final findings no later than October 17th, 1978. The Select Committee shall have authority to sit during recesses and have full power and authority to employ Counsel and other such persons as the Committee may deem advisable. The proceedings of the Committee shall be reported by Hansard in the format used by the House unless otherwise ordered by the Committee. The Committee may call for persons, papers and things and examine witnesses under oath, and the Assembly doth command and compel attendance before the said Select Committee of such persons and the production of such papers and things as the Committee may

deem necessary for any of its proceedings and deliberations, for which the Honourable the Speaker may issue his warrant or warrants. The said Committee shall be composed of eight members to be named later.

MOTION FOR PRODUCTION OF PAPERS

1. *Mr. Reid (Rainy River)*—That an Order of the House do issue for the production of all public opinion surveys commissioned by the Ministry since January 1st, 1975.

NOTICES

GOVERNMENT MOTION

13. *Mr. McKeough*—Resolution—That the authority of the Treasurer of Ontario granted on March 28th, 1978, to pay the salaries of the civil servants and other necessary payments pending the voting of Supply for the period commencing April 1st, 1978, be extended to October 31st, 1978, such payments to be charged to the proper appropriation following the voting of Supply.
14. *Mr. Welch*—Resolution—That a Select Committee of this Legislature be appointed:—1. To review Ontario's health-care costs, health-care financing methods, and services provided for that expenditure; and then to compare that profile with those of other provinces and countries as the committee may deem appropriate for purposes of providing a valid basis for comparison. 2. To review alternative methods of financing the health-care system and the impact of those alternatives on the fiscal and economic affairs of the Province; and to make recommendations thereon. 3. To review existing reports which relate to methods and means of containing or reducing health-care costs, and to report its findings to the Legislature. And the Committee shall report its final findings no later than October 17th, 1978. The Select Committee shall have authority to sit during recesses and have full power and authority to employ Counsel and other such persons as the Committee may deem advisable. The proceedings of the Committee shall be reported by Hansard in the format used by the House unless otherwise ordered by the Committee. The Committee may call for persons, papers and things and examine witnesses under oath, and the Assembly doth command and compel attendance before the said Select Committee of such persons and the production of such papers and things as the Committee may

deem necessary for any of its proceedings and deliberations, for which the Honourable the Speaker may issue his warrant or warrants. The said Committee shall be composed of eight members to be named later.

MOTION FOR PRODUCTION OF PAPERS

1. *Mr. Reid* (Rainy River)—That an Order of the House do issue for the production of all public opinion surveys commissioned by the Ministry since January 1st, 1975.

NOTICES

GOVERNMENT MOTION

13. *Mr. McKeough*—Resolution—That the authority of the Treasurer of Ontario granted on March 28th, 1978, to pay the salaries of the civil servants and other necessary payments pending the voting of Supply for the period commencing April 1st, 1978, be extended to October 31st, 1978, such payments to be charged to the proper appropriation following the voting of Supply.

PRIVATE MEMBERS' MOTIONS

1. *Mr. Reid* (Rainy River)—Resolution—That in the opinion of this House a joint state-provincial commission should be established between the Province of Ontario and border states (Minnesota, Michigan, New York, Ohio, Pennsylvania, Wisconsin) of the United States to study and discuss matters of mutual concern.
3. *Mr. Nixon*—Resolution—That this House recognizes the outstanding achievements of Dr. Robert McClure whose life of service at home, in China and elsewhere in the world exemplifies the most commendable aspects of the human spirit. And that a suitable message be inscribed and forwarded to Dr. McClure.
6. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, all Ontario Hydro's future thermal expansion be tied to the utilization of the cooling water.
7. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House, all homes in Ontario should be energy rated.

9. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House, time of day pricing should be incorporated into any rate structure changes by Ontario Hydro.
10. *Mr. Ruston*—Resolution—That in the opinion of this House, the Government should ask the Government of Canada to hold a referendum on the issue of capital punishment and have the people of Canada make this very important decision.
13. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House the Government should attach at least equal importance to the development of renewable resource technology in Ontario as it has to the development of nuclear power.
16. *Mr. Reed* (Halton-Burlington)—Resolution—That in the opinion of this House storm windows should be installed at the Parliament Buildings at Queen's Park; that the Government carefully examine costs involved in heating and cooling of all public buildings by solar means; that a time-table be set to build all new buildings with solar orientation and to retrofit present structures for solar as they become economically feasible.
18. *Mr. Wildman*—Resolution—That, in the opinion of this House, the Government should introduce legislation amending *The Retail Sales Tax Act* to provide a specific exemption from retail sales tax to the purchaser of non-portable storage devices such as bins, storage containers and silos that are designed for farm use and purchased by a person engaged in the business of farming.
19. *Mr. Reed* (Halton-Burlington)—Resolution—That, in the opinion of this House the Government proceed immediately with the preparation of Sun Right legislation.
21. *Mr. Makarchuk*—Resolution—That in the opinion of this House the Government of Canada should publicly, unequivocally and as quickly as possible oppose the development and utilization of the neutron bomb.
22. *Mr. Hennessy*—Resolution—That, in the opinion of this House, the Government should introduce legislation to provide that wherever a police officer, fireman or prison guard is killed in the line of duty, the salary and other income benefits of the deceased shall continue and shall be paid to the deceased's dependants until such time as the payments are no longer necessary for the maintenance and support of the dependants. *To be debated on the first Thursday after summer recess.*

MOTION FOR PRODUCTION OF PAPERS

1. *Mr. Reid* (Rainy River)—That an Order of the House do issue for the production of all public opinion surveys commissioned by the Ministry since January 1st, 1975.

Ballot Item No. 31

Mr. Hennessy—Resolution—That, in the opinion of this House, the Government should introduce legislation to provide that wherever a police officer, fireman or prison guard is killed in the line of duty, the salary and other income benefits of the deceased shall continue and shall be paid to the deceased's dependants until such time as the payments are no longer necessary for the maintenance and support of the dependants. *To be debated October 26th, 1978.*

Ballot Item No. 32

Second Reading Bill 139, An Act respecting Hospital Administrative Procedures relating to Abortions performed in Ontario. *Mr. Sweeney. To be debated October 26th, 1978.*

Ballot Item No. 33

Mr. Deans—Resolution—That in the opinion of this House, the Government should proceed with assessment reform to achieve property tax equity through the following modifications of the Reassessment Program: 1. Assure that there is no general increase in taxes to the residential sector or to the small business sector. 2. Adjust the excessively inflated residential values in the larger cities so that homeowners do not pay a disproportionate share of taxes and so that municipalities receive a more equitable share of provincial grants. 3. Provide a phase-in adjustment program for homeowners, with graded exemptions and other special circumstances, to prevent sudden and excessive tax increases as a result of the implementation of assessment reform. 4. Provide a mandatory pass-through to tenants of any property tax reductions on apartments. 5. Assess farmland at agricultural value, except where it is held by speculators or developers. Further, the program must provide that the following measures form part of, and be implemented with, the reassessment program: (a) Legislate the revenue-sharing program between the Province and local governments. (b) Apply the Property Tax Credit directly to the payment of property tax bills, at the time of payment. (c) Undertake a program to reduce the educational portion of the property tax. *To be debated November 2nd, 1978.*

Ballot Item No. 34

Mr. Turner—Resolution—That, in the opinion of this House, the Government should consider adopting policies to encourage every municipality to share with the provincial Government the task of planning for job creation and industrial expansion for the future, and in particular, the Government should, (i) encourage every municipality to develop job creation and industrial expansion goals as part of the planning process directed toward establishing or amending an official plan for the municipality, and (ii) encourage every municipality to include job creation or industrial expansion goals in the official plan for the municipality. *To be debated November 2nd, 1978.*
